

AUTHORIZE.NET

Revolutionize Your Payment Processing
with MyDealer and Authorize.net

Streamline Your Cash Flow and Expand Payment Options - All in One Place!

In today's fast-paced business world, your time is precious. With MyDealer's Authorize.net, you can automate payment processing and invest more time in strategic initiatives and client service.

Authorize.net enables your clients to effortlessly select and pay open invoices directly through MyDealer using ACH. With Authorize.net your clients can select an open invoice to pay in MyDealer and make the payment with automated clearing house (ACH).

Say goodbye to traditional checks and hello to a new era of efficiency and timely payments. Boost your dealership's efficiency and ensure timely payments with help from MyDealer and Authorize.net!

Authorize.net: Your Gateway to Seamless Transactions

-  **Save Time:** Forget waiting for checks in the mail. Get paid faster, period.
-  **Reduce Errors:** Minimize manual errors and missed payments with automated processing.
-  **Improved Security:** ACH payments utilize electronic processing and bank-level encryption, dramatically reducing risks of theft or forgery associated with physical checks.
-  **Enhanced Cash Flow:** Predict and plan your finances with precision, thanks to transparent payment schedules.
-  **Lower Costs:** Enjoy lower transaction costs compared to credit cards and wire transfers.
