

MyDealer

Enhance Your Virtual Customer Experience

Overview

Provide Better Service Without All the Heavy Lifting.

Build customer relationships 24/7 with IntelliDealer™ and its self-service access.

Be the dealership that anticipates your customers' demand account information, price quotes, and equipment and parts descriptions and availability — anywhere, anytime.

Improve Your Customers' Experience And Engagement

IntelliDealer™ lets them:

- 1 Manage owned or rented equipment.
- 2 Access detailed account and dealership contact information.
- 3 Purchase parts easily and pay with a credit card.
- 4 View invoices, statements and prior orders, and make ACH or credit card payments.
- 5 Quickly review and approve quotes or ask for more details.
- 6 Request service appointments.
- 7 Use **Tethr It Now**, a real-time video calling platform, for remote troubleshooting.
- 8 Review dealership news and alerts.
- 9 Integrate easily with their IntelliDealer™ DMS.
- 10 Select a ship-to location for the delivery of parts orders.

\$132M

in parts transactions passed through IntelliDealer™ since the start of 2020.
