

## Solution Overview

# SKIPIFY PAYLINKS

## Streamline your payment process with instant payment links

Accepting payments shouldn't be complicated for your business. Skipify Paylinks saves time, reduces administrative burdens, and improves cashflow. Eliminate the need for clunky credit cards with Skipify Paylinks, sent through chat, text, or email.

Effortless payment collection gets dealerships their money fast by giving customers the ability to pay with just a few clicks.

Our backend integrations with consumer banks allow your customers to access their cards automatically and gives them an enhanced customer experience.

Our PCI compliant solutions eliminate the need for your team to handle sensitive payment information.

It's easy to get started. Implement PayLinks via API integration or stand it up today with our hosted portal.

**Better checkout.**

**Happy customers.**
